collaborate:create is a residency to bring artists together across disciplines to discuss, collaborate, and create unfiltered work in three weeks that meditates on one socially relevant theme. We create in the **now** because of the **now**, and we aim to uphold our social responsibility as artists by addressing current issues in our society. Apply for c:c at www.forwardflux.com/cc

FORWARD FLUX PRODUCTIONS

Founded in 2010 by Wesley Frugé, Karesia Batan, and Rafael Landeiro, Forward Flux presents live art utilizing today's technology for today's audiences. We strive to reinvent the theatre experience by blending the traditional form with unconventional ideas.

THEATERLAB

Theaterlab is an artistic laboratory dedicated to research into the nature of live performance, supporting the NYC diverse community of artists as well as the general public interested in seeing emerging new work. www.theaterlabnyc.com

Special Thanks to Theaterlab for hosting this residency and exhibit, and to *you* for supporting live art!
